SUMMARY

I am a passionate and dedicated learner with a solid foundation in web development technologies, including **HTML, CSS, JavaScript, React, PHP, jQuery, Bootstrap, SQL, and Tailwind CSS**. Committed to continuous improvement, I stay updated with the latest trends and best practices to deliver innovative, efficient, and modern solutions in the ever-evolving web development landscape.

Experience

Web Developer, Eduplex Softsol Pvt. Ltd. – Noida 153, Uttar Pradesh Sept 2024 – Present

- Developed robust web applications with PHP and Laravel 11, ensuring performance and security.
- Built dynamic, user-focused interfaces using **html, CSS, Javascript, JQuery ,Bootstrap, and Laravel 11**
- Optimized databases for efficiency and implemented secure automation solutions.
- Collaborated with teams to deliver innovative solutions aligned with product needs.
- Debugged and resolved complex issues to enhance user experience.
- Ensured clean, maintainable code by adhering to high standards and best practices.

Front-End Developer, RiskBiral Insurance Brokers Pvt. Ltd. – Janakpuri West, Delhi April 2024 – Aug 2024

- Developed responsive, high-performance web applications using PHP and CodeIgniter 4.
- Designed user-friendly, cross-device compatible interfaces with HTML, CSS, JavaScript, JQuery , Bootstrap and React.
- Collaborated with teams to deliver effective web solutions..
- Created a test case generation tool for generating random XML docs from XML Schema.
- Used CodeIgniter 4 to build secure, scalable web applications.

Campus Coder, Web Development Intern – Remote April 2024 – Aug 2024

- Worked on web development projects with a focus on usability.
- Developed responsive designs and ensured optimal performance.
- Gained hands-on experience in modern web technologies.

Education

Hemvati Nandan Bahuguna Garhwal University (HNBGU), Bachelor of Computer Applications (BCA) Aug 2020 – June 2023

- Graduated with CGPA 6.19/10, with expertise in programming, software development, and databases.
- Completed academic projects applying real-world problem-solving and technical skills.

UK Board, Senior Secondary (10+2) March 2020

- Scored 69.8

UK Board, Secondary (10th) March 2018

- Achieved 86.6

Projects

Task Management System gaurav21-c/task_manager

- Tools Used: HTML, CSS, JavaScript, PHP, Bootstrap, jQuery, SQL
- Task Organization: Effectively structures and prioritizes tasks for better workflow.
- Deadline Management: Enables users to set and manage project deadlines.
- Task Assignment: Simplifies assigning tasks to team members for better collaboration.

- Progress Tracking: Monitors task and project progress in real-time.
- On-Time Completion: Ensures timely project completion through efficient tracking.

Travel Tourism Website

Travel-and-Tourism

- Tools Used: HTML, CSS, Bootstrap, JavaScript, SQLite
- Destination Search: Users can find destinations based on preferences and activities.
- Travel Packages: Displays customized travel packages with accommodations, flights, and activities.
- Interactive Maps: Features maps to explore destinations and nearby attractions.
- Travel Guides: Provides detailed information on local attractions and dining.
- Responsive Design: Fully optimized for mobile and tablet users.
- User Accounts: Allows users to create accounts, save preferences, and blog about experiences.

Technologies

Languages: JavaScript, PHP, Python

Web Technologies: HTML, CSS, JavaScript, PHP, React, jQuery, Bootstrap, Tailwind CSS

Database Management: SQL, SQLite

Frameworks Libraries: Laravel, CodeIgniter 4, React

Version Control: Git and Github

Development Tools: Visual Studio Code, XAMPP, PhpMyAdmin
